**SOUTHWESTERN BELL TELEPHONE, L.P.,
d/b/a SOUTHWESTERN BELL TELEPHONE COMPANY'S
RESPONSE TO SUBMISSION OF FULLY EXECUTED SIGNATURE PAGES
TO INTERCONNECTION AGREEMENTS**

Comes now Southwestern Bell Telephone, L.P., d/b/a Southwestern Bell Telephone Company ("SWBT") and, for its Response to Submission of Fully Executed Signature Pages to Interconnection Agreements, states as follows:

1. On September 30, 2002, in a pleading entitled "Submission of Fully Executed Signature Pages to Interconnection Agreements", Brooks Fiber Communication of Missouri, Inc. ("Brooks") and MCI WorldCom Communications, Inc. ("MCIWC") submitted copies of fully executed signature pages to their respective Interconnection Agreements with SWBT. In their pleading, Brooks and MCIWC indicate that original signature pages will be filed when received from SWBT.

2. SWBT requested three original signature pages from Brooks and MCIWC so that each of the parties and the Commission would retain an executed original signature page. SWBT received one original signature page from Brooks and one original signature page from MCIWC on September 30, 2002. SWBT executed the originals and delivered copies of them to counsel for Brooks and MCIWC for filing on September 30, 2002.

3. When Brooks and MCIWC deliver the other two original signature pages to SWBT, SWBT will execute those signature pages and will return them to Brooks and MCIWC. Brooks and

MCIWC can then file one original signature page to their respective Interconnection Agreements with the Commission and can retain one original signature page for their respective files.

4. SWBT has again notified Brooks and MCIWC of the need to submit two additional signature pages via the October 1, 2002 letter, attached hereto as Exhibit 1.

Wherefore, SWBT prays the Commission to order Brooks and MCIWC to deliver two original signature pages for their respective Interconnection Agreements with SWBT so that SWBT may execute said originals, and one original of each signature page can be presented to the Commission, together with any further and additional relief the Commission deems just and proper.

Respectfully submitted,

SOUTHWESTERN BELL TELEPHONE, L.P.

In re: TO-2002-222

Dear Carl:

As you know, Southwestern Bell Telephone, L.P, d/b/a Southwestern Bell Telephone Company ("SWBT") requested that you federal express three original signature pages that had already been executed by Brooks Fiber Communications of Missouri, Inc. ("Brooks") and MCI WorldCom Communications, Inc. ("MCIWC") to SWBT for execution. SWBT only received one original signature page for each Interconnection Agreement, which we intend to retain for our files. Please forward two additional original signature pages for each Interconnection Agreement and we will execute them. You will then be able to retain one original of each Interconnection Agreement for your records and file one original of each Interconnection Agreement with the Commission.

If you have any questions, please do not hesitate to contact me. I can be reached at (314)727-5630.

Very truly yours,

A handwritten signature in black ink, appearing to read "Mimi B. MacDonald".
